Safe Riding Tips

Did you know you can ride on sidewalks in Tysons? Yes! But regardless of where you ride, follow these safety tips to keep your wheels rolling safely.

- Regularly check your bike's tire pressure, brakes, and chain.
- Helmets are required for anyone under the age of 15. (Helmets are always a good idea for adults, too!)
- Always watch for pedestrians and drivers, and be seen and heard!
- Wear bright or reflective clothing.
- Use front and rear lights in low-light conditions and/or use bells to signal.
- Consider learning basic repair skills or visiting a local bike shop for regular tune-ups.
